

County
Administrator

Keith Berndt

MEMO

TO: Flood Finance Committee Members

FROM: Keith Berndt
Cass County Administrator

DATE: April 7, 2014

SUBJECT: Oxbow Levee Construction

During the April 9th Finance Committee meeting I'd like to discuss the plans for soliciting bids on the first Oxbow Levee Construction package and get the Committee's authorization to proceed with advertising for bids. Once bids are opened the construction contract will come to the Diversion Authority for approval.
